This beautiful 2015 built Torrens title home has nothing but the best throughout.

As you enter you are greeted with a light and airy feel from the high ceilings to the spotted gum floating floors. To your right is a formal lounge and to the left through double sliding doors is the master suite with its walk through robe and impressive oversized en suite. The wide entry hall opens up into a large family room with separate dining and seating areas. The superb gloss kitchen has so many features including European appliances, induction cook top & pyrolitic oven, soft close blumotion cupboards and drawers aplenty, built in cold filter tap, under mount sink, integrated garbage bin and to top it all off galaxy granite 30mm worktops. You also have the extra butlers pantry.
