Home is where the heart is. Such a classic statement for such a classic home located on the highly established side of this beautiful suburb. Designed to create that minimalistic and stress-free life that we all crave

At the front of the home you will find the master bedroom with walk-in wardrobe and ensuite. Tucked away towards the back, each of the other three double bedrooms have large built-in robes and all share the main 3 way bathroom.

The spacious and fully equipped kitchen creates the hub of the home. Balancing neatly between both the family living and casual meals and the separate formal lounge
