This beautifully kept enchanting family home has great kerb appeal and original features.

The high ceiling and spacious rooms have a light and airy feel and the practical floor plan ensures the home flows well. There is a large lounge/diner and the original kitchen has plenty of storage and updated appliances.

There are three double bedrooms all with built in robes and reverse cycle air conditioners. The original family bathroom is elegant and appears timeless with its large bath, separate shower and terrazzo floor.

The extra family room at the back of the house is a great place to relax and enjoy the beautifully manicured lawn and flower beds. The laundry also conveniently has a separate toilet with access from outside when entertaining friends
