This beautifully presented home should definitely be on the top of your shopping list this weekend.

Renovated to a high standard you will fall in love the moment you walk in. The versatile floor plan offers three good sized bedrooms, two with built in robes, nestled conveniently around the modern bathroom, all to the left of the home. The living, dining and well equipped kitchen lead out on to a fabulous undercover entertaining area. Just imagine relaxing out here in all weathers, or entertaining family and friends with barbecues or more formal dinner parties.

Outside there is plenty of extra yard space for kids and pets plus a double length car port and extra garage and shed for storage.
