This beautifully presented home is immaculate, it's been well maintained and well loved. What a perfect position close to local shops, public transport, beautiful green reserves and an easy commute into the CBD via the expressway.

As you enter the home the natural light streams through the front facing windows overlooking the beautiful garden area. The lounge room has a warm and inviting feel which then flows seamlessly into the kitchen and dine area.

In the home you will find three good sized bedrooms with the main bathroom and separate toilet servicing them.

Outside the home there is a nice under cover entertaining area, a great space for those Summer BBQs or to entertain family and friends. There is also a large grassed area which is lovely and private, perfect for the kids and pets to play securely.

Extra features include: Single carport, garden shed, ducted evaporative cooling and reverse cycle heating and cooling
