Neat as a pin! Immaculately presented throughout with an abundance of natural light, leafy outlooks and a versatile floor plan that is complimented by its generous proportions. Positioned on the high side of the street at the end of a cul-de-sac, it is ideal for the family who enjoys living the country lifestyle without forgoing everyday amenities.

Upon entering the inviting hallway, you are greeted with an abundance of natural light that flows through the large windows from the formal lounge. At the front of the home, double doors lead to a generous formal lounge and dining area. Retreat to the spacious master suite with bay window, overlooking the lush front garden, complete with built in robes and ensuite, at the end of a busy day.
