Currently tenanted for \$450 per week until 8th May 2021.

From your first impression of this immaculate home - you'll love everything about this exceptionally well maintained four bedroom courtyard cutie. This lovely north facing Torrens titled home has got the lot!

On entry you'll be impressed by the crisp white tiled hallway and good sized master bedroom with hideaway his and hers walk in robe and immaculate ensuite. Bedrooms two and three are also of good size and both have built in robes and bedroom four is a great spot to set up the home
