Perfectly positioned amongst quality homes, this tastefully upgraded home with a good sized 146sqm (approx.) of internal living has a commanding street presence and has been sensibly built to make great use of the natural curves of the land. The homes split level design with a combination of quality tiles, timber-like floors, loft ceilings and large windows create the feeling of space and luxurious living throughout.

Upon entry you are welcomed to the right by a sunken lounge with modern exposed brick pillars, leading you straight through to the stunningly renovated kitchen
