1 Elanora Crescent CAPE JERVIS SA

One already sold and One block remaining. With great views of Kangaroo Island and the ocean, these two blocks which are side by side are two of the best remaining blocks in Cape Jervis. The remaining block of land for sale is lot 96 on the site plan shown on the website following the photos. Take a drive down the coast past Yankalilla, Normanville & Second Valley to view what is clearly an idyllic location for this good sized building block that offers great views, a nice wide frontage and valuable corner block side access.
