29 Jerilderie Drive HAPPY VALLEY SA

Contact Stuart Costello for details.

Located in a very leafy and established area is this prime piece of land. Perfectly set with a gentle slope and surrounded by other quality homes, this enormous (apx 1568sqm) block boasts a variety of potential house sites (stcc) and an existing shed which could remain or removed to make way for the new dwelling. The property features many mature trees including fruit trees which will greatly compliment an impressive new family home.

This property truly offers the best of both worlds with the room, location, and price to build a beautiful new home and still have an established garden and yard for the family to enjoy.
