Please phone Danielle Comer or Rachael Farror for viewing times.

A clever floor plan begins with a welcoming entrance, where beautiful floating timber floors combined with vaulted ceilings and exposed beams plus a neutral palette bathed in natural light welcomes you with open arms.

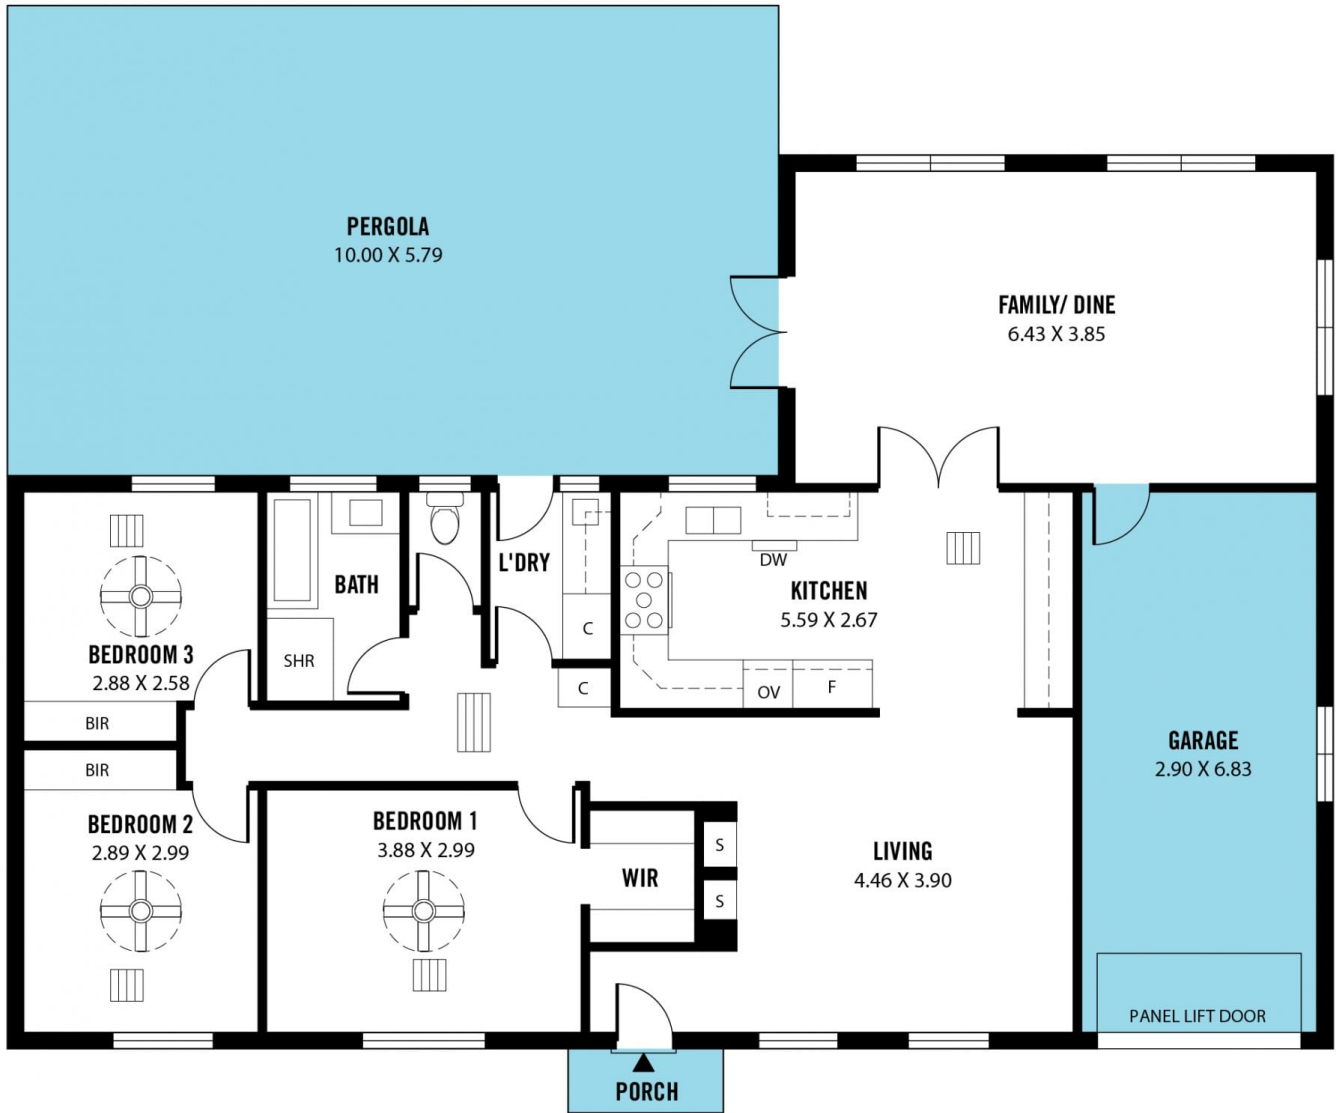

It will be love at first sight for those who hold the kitchen as the heart of the home. Adjacent to the home's living and split level dining area, it has been beautifully renovated with stone benchtops, quality appliances including dishwasher and gas cook top plus a corner pantry and an abundance of surrounding built in cupboards allowing for maximum storage.
