The kerbside appeal instantly draws you closer to the home. Upon entering the home, you will find two bedrooms, both with built-in robes. Ascend to the upper level, where you will find a living area with balcony, another bedroom with built-in robes and family bathroom. Both these rooms capture the sensational views. Sitting on the balcony, with your beverage of choice, you can definitely lose track of time, as you appreciate the views.

The lower level allows you to capture uninterrupted views from the open plan kitchen and living area, through the picture windows. The kitchen offers an abundance of cupboard and bench space with a spacious walk-in pantry.
