Perfectly positioned amongst quality homes on a beautiful tree-lined street in Trott Parks most prestigious pocket, this breathtaking home with an abundance of internal and external living has a commanding street presence and has been sensibly built to make great use of the natural curves of the land, it really needs to be seen to be believed.

Built in 2010, it offers a neutral palette and luxury inclusions, including a combination of stunning timber-like floors and high gloss tiles, high ceilings, a split level design, and large windows to create a feeling of space and sophistication throughout.
