27 Beachway Avenue Maslin Beach SA

4 2 4

Inspiration and individuality has been created with this beautiful designer home on 696m<sup>2</sup> of land in the highly popular suburb of Maslin Beach. Perfect as a family home, holiday home or Air BNB. The property is at one with the coastal environment in which it shares and will certainly take your breath away with its contrast in functionality and the use of natural textures including limestone and Tasmanian Oak. This designer home boasts some amazing features and takes the opportunity to capture views to the ocean and surrounds from the upper decked balcony and upstairs living area. Upon entry to the lower level of the home one notices the solid Tasmanian Oak floors which flow through the home. Lower living area with split system, cosy combustion heater and hidden access to your very own underground wine cellar with spiral staircase
