Please contact Jemma Turner for more information, or to view the property.

Just when you thought you wouldn't find the one to suit everyone's needs, this gorgeous gem pops up! Built in 2009 and located on a no through road in the sought after "Sunday Estate", this stunning 3-bedroom family home has so much on offer.

Arriving at the home, not only will you be impressed with the location as the Aldinga Scrub is located at the end of the street, but the frontage on this property is one rarely seen in newer estates! This frontage has allowed enough room for a drive through double garage and double gate access (fully clear of the gutters) for easy drive through
