Located in the beautiful township of Normanville, very few properties offer opportunities to investors or families like this one. Two homes in one. The possibilities are endless - a holiday rental, B&B perhaps or just keep it for yourselves and have plenty of room for when family and friends want to stay over.

Offering superb street appeal, this home is situated in the old survey area and is only minutes away from cafes, shops and beach.

This home has not one but two kitchens, both with plenty of storage and stainless steel electric oven & cook top.

Bedroom one has a walk in robe and bedrooms two, three and four all come with built in robes. Bedroom 5 (currently used as a study) is also generously sized.
