Privately tucked away in a quiet location, this immaculate villa has loads of appeal and benefits that makes it worth some serious consideration for a range of buyers.

Nestled amongst only 3 other privately owned Villas, this impressive 2 bedroom home could be ideal for first time buyers, young couples, investors and those considering a downsize option as it has a dedicated secure storage area for a caravan/boat.

The home itself has been very well maintained by the current owner. It offers a spacious north facing lounge room at the front of the home that flows through to the well-appointed central kitchen that overlooks the meals/dining and/or additional living area. from this space
