This immaculately presented and maintained property has been much loved by the current owners. Located close to a number of schooling options, public transport, good sporting facilities, walking/bike track and with the added benefit of side access via double gates for boat or caravan storage, it's worth some serious consideration.

The separate front entrance leads into the central living room that comes complete with gas heating to keep you cosy this time of year. The open plan kitchen and dining area is located at the end of the home and has direct access out to the rear pergola and back yard. The kitchen has been impressively updated with lots of cupboard space.
