If it is luxury and quality you are seeking then look no further. Before you even reach the property you will love the large open reserve and the quiet streets that surround. This truly is an amazing spot to raise a family.

As you enter this home you will fall in love with the awe-inspiring high ceilings and the very contemporary yet luxury layout design. The kitchen truly is the hub of the home. It features a huge walk in pantry, 900mm stainless gas stove and overlooks the meal/family area as well as the magnificent undercover outdoor entertaining area. It is complete with timber decking, fans, and café blinds making it perfect for all year round!
