If you thought finding a beautifully renovated home, with double gate access to a shed, as well as plenty of yard space still remaining, while not breaking the bank was impossible, think again. 61 Rowley Road, Aldinga Beach is just that, and so much more.

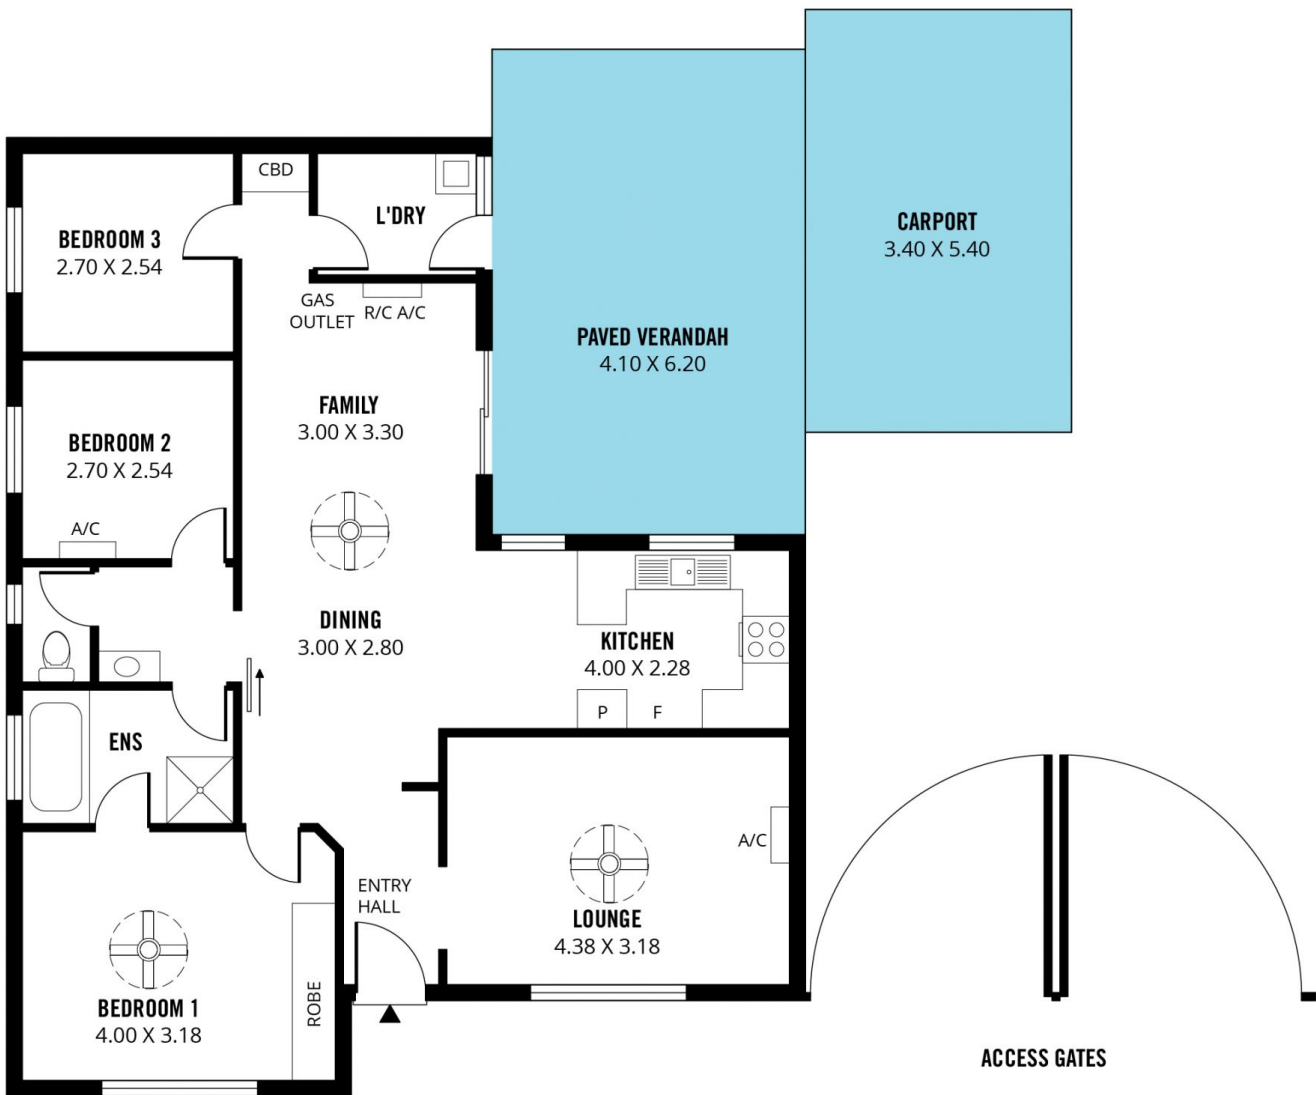

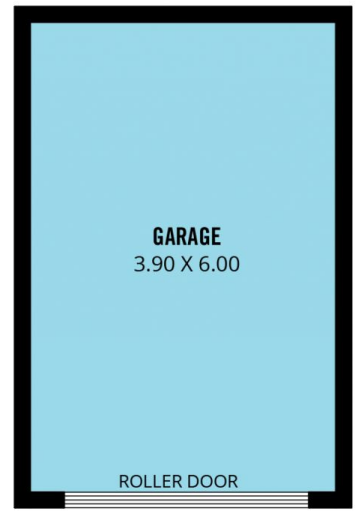

The property presents stunningly, both inside and out. Fresh, front landscaping along with roller shutters and a rendered front complete the facade of this home. As mentioned, the property offers double gate access to the rear carport and shed, along with an ample amount of driveway parking space.
