18 Richards Road WILLUNGA SA

This extremely neat and deceptively spacious home is located just a short stroll from the beautiful and historic township of Willunga. This location is much sort after by a range of different buyers for a range of different reasons...

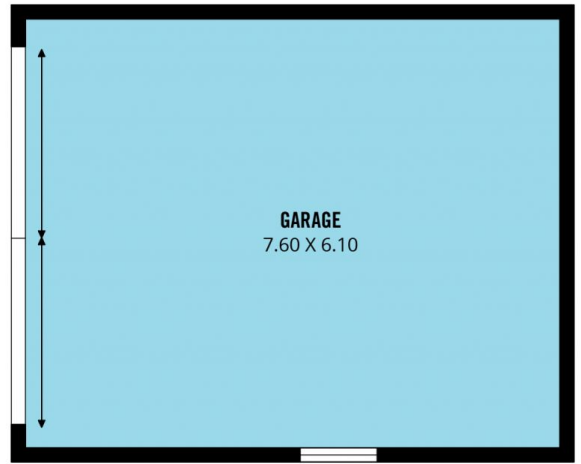

The lifestyle on offer in this amazing suburb is special. It is the perfect place to bring up your kids as there are a number of good Schooling options and it has a lovely country town, safe vibe that is ideal for families. It's quiet and secure making it appealing for those looking to downsize or retire. The organic growth of Willunga has been healthy for a number of years, when other areas have been a bit stagnant, making it worth some serious consideration for those looking to start or add to their investment portfolio.
