6 Jasmine Avenue MASLIN BEACH SA

4 🚗 2 🚗 2 🚗

Maslin Beach is an amazing little suburb with a lovely community feel and boasts one of the most picturesque coastlines in Australia. It is somewhat of a hidden gem which the locals love, but it won't be long before everyone else starts to appreciate how good this area is. This property has an impressive combination of recent & tasteful updates throughout, but still manages to offer a coastal character & charm that make this property a really special one - Inspection comes highly recommended.

Located across from a vacant reserve that you can look over whilst relaxing under the front verandah on the large elevated decking area. As you enter the home, the feeling of light and open space are impossible to ignore. There is a front sitting/lounge that flows through to the central kitchen
