24 Whinnerah Avenue ALDINGA BEACH SA

4  2  4 

This ultra impressive home is located just meters from the coast and walking distance to local cafes and restaurants offering a sensational lifestyle opportunity. Boasting a number of sought after benefits that are rarely found all together in the one property, this one is worth some serious consideration.

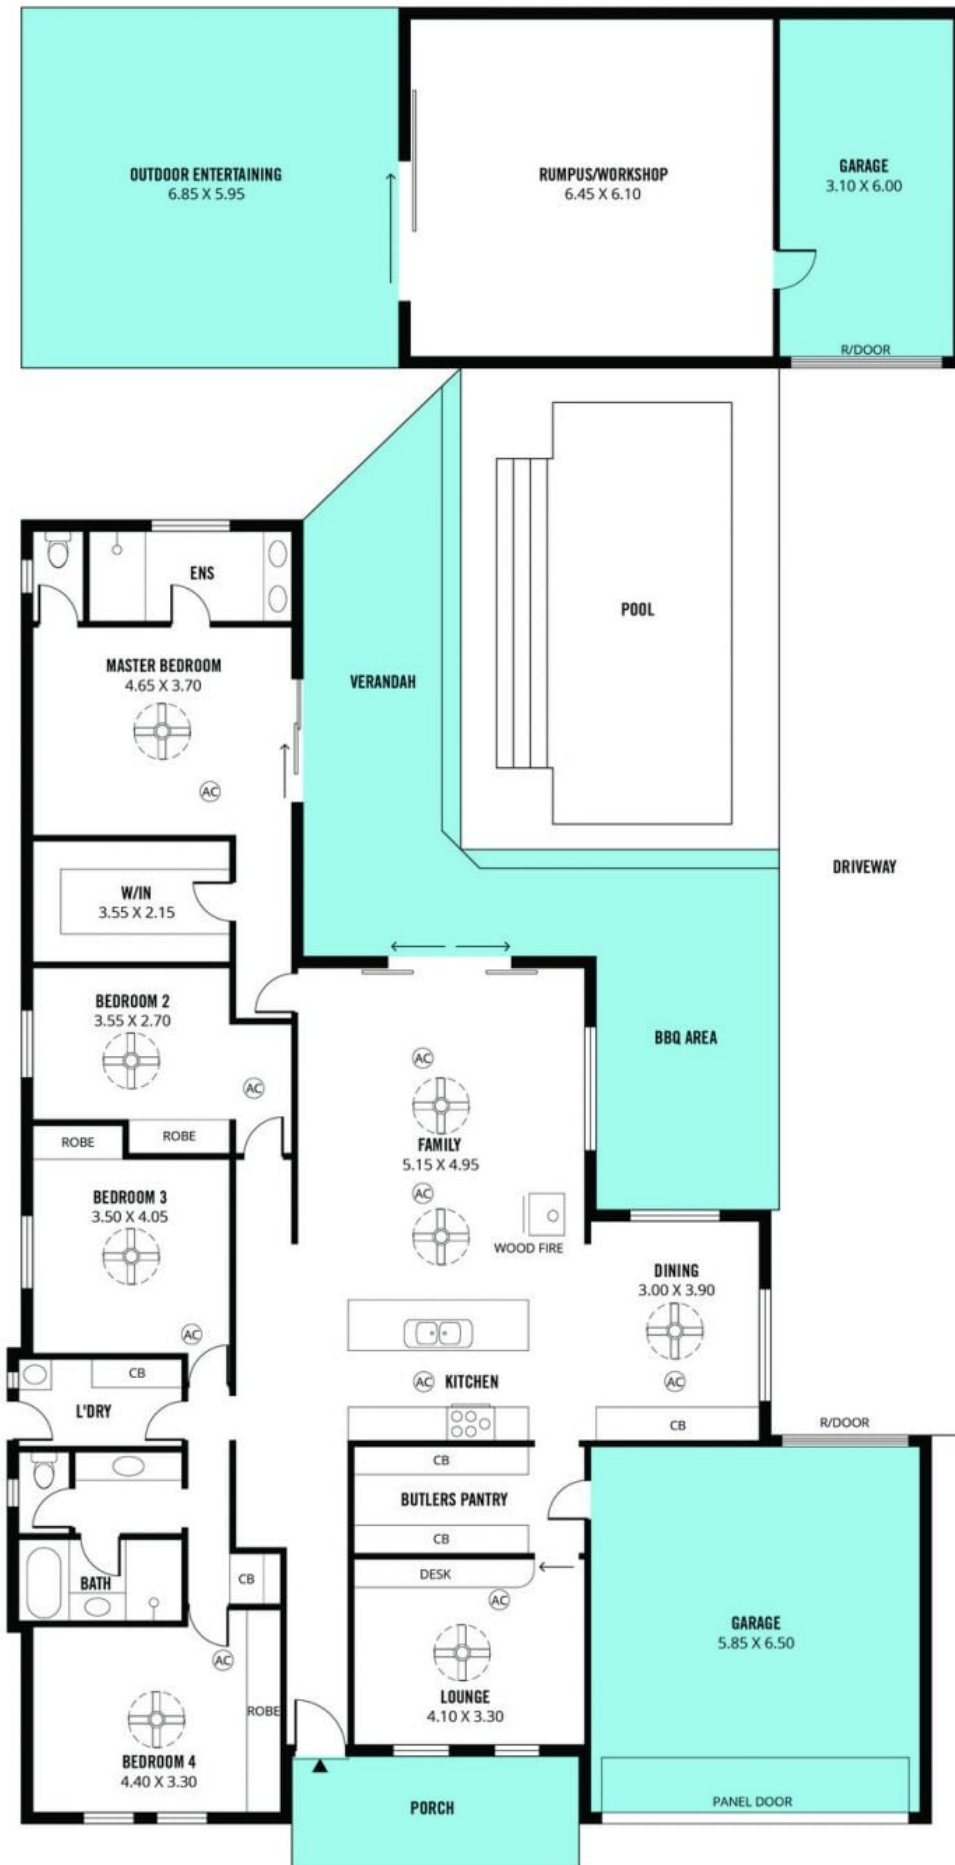

The front of the property is fully fenced making it extremely secure and private. The rendered facade, easy care garden with an old sleeper walkway that leads to the front door really adds to the appeal of the home. There is an automatic gate that gives access through to the double garage that has drive through capability to the rear yard and leads directly into the powered workshop/garage that is nestled at the back of the block.
