Please contact Jemma Turner for more information, or to view the property.

Walking up to the larger than normal front door you will already notice this home has some exciting extras. Inside, the home has a lovely light & airy feel with timber floor boards used throughout, neutral decor and large windows.

Love a modern, good size master bedroom? Wait until you see this one! With the large wall recess behind the master bed & down lights above, great sized walk through build in wardrobe & spacious, modern en-suite bathroom made complete with ceiling mounted square shower head & wall recess, this master bedroom is really something special.
