Tucked away in a quiet Cul-de-sac, this tastefully renovated home has loads of appeal and could be ideal for a range of buyers.

Very well presented and boasting separate living areas, that includes a spacious lounge room located at the front of the home. The main bedroom is also positioned up the front end of the home, away from the other bedrooms and comes complete with built-in robes and own updated ensuite. The central kitchen is very impressive, it comes fitted with quality stainless steel appliances, trendy glass splash backs and lots of bench and cupboard space, even room for a wine fridge. This really is the heart of the home.
