This very impressive and feature packed home is an absolute pleasure to present to the market & should be strongly considered as homes like this do not become available very often.

Sitting proudly on a huge 998m2 allotment boasting fantastic ocean views from the front of the property. The tiled entry opens into the front formal lounge room. The lounge flows through to the separate dining area, which can be shut off with bi-fold doors if required.

The main bedroom comes complete with a walk-in robe, ensuite, ceiling fan and a bay window to capture the view.
