Here is a property that is sure to impress. If you are a large family craving space, then this is the home for you. As you enter the property you will be sure to fall in love with the spacious open plan style and homely feel.

The large master suite is located at the front of the home and offers a walk in robe and luxury ensuite. Also located at the front of the home are a huge formal lounge and a bedroom that can be used as the home office. The added bonus of a kitchenette gives the potential to separate the home into two. This is perfect for the large family or even those looking to accommodate extended family.
