This much loved family home has been very well maintained and offers a fantastic floor plan and is set on a large and very well maintained and established allotment that could be suitable for a range of different buyers.

The established front garden together with the blue stone facade gives this property a lovely street appeal. The large separate entrance foyer flows through to a spacious formal lounge room that is located at the front of the home. There is a gas heater fitted in this room and a nice outlook of the front garden. The formal dining room sits adjacent the lounge room and flows through to the central kitchen that comes with stainless steel appliances including a dishwasher and wall oven, there are dual sinks and plenty of cupboards for storage and stone bench tops.
