Please contact Jemma for all your property advice.

Built in 2006, on a generous 597sqm block, this brilliant 3 bedroom, 2 bathroom, 2 living area, double garage home is located within walking distance to schools, supermarkets, medical facilities and so much more.

Inside, the master bedroom is at the front of the home and is made complete with roller shutters, walk in robe and ensuite bathroom. The entrance hall is spacious, and leads through to the rear, open plan area. Just off the hallway is the internal access door from the garage, and the second living space, privately tucked away behind double sliding doors. This room would make for an ideal second lounge, playroom, home theatre or fourth bedroom if needed.
