Offering the rare combination of premium quality, style and spaciousness both inside the home and out, makes this property not only a very unique property, but an extremely impressive one too.

Sitting proudly on a large 1,676m² allotment with an elevated aspect that allows for uninterrupted views of a large reserve opposite and of the Onkaparinga River recreation park to the West. This impressive home was built in 2014 and offers a spacious and versatile floor plan with multiple living zones, 5 good sized bedrooms and premium fittings and fixtures throughout that I am sure will impress.
