This property's position is absolutely amazing! Nestled amongst other quality homes on a quiet no-through road, it not far from all that is on offer in the beautiful and historic Willunga township.

This Street is so private and secluded that I am sure even some of the 'Willunga locals' wouldn't even know where it is... A real hidden gem!

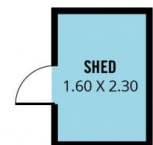

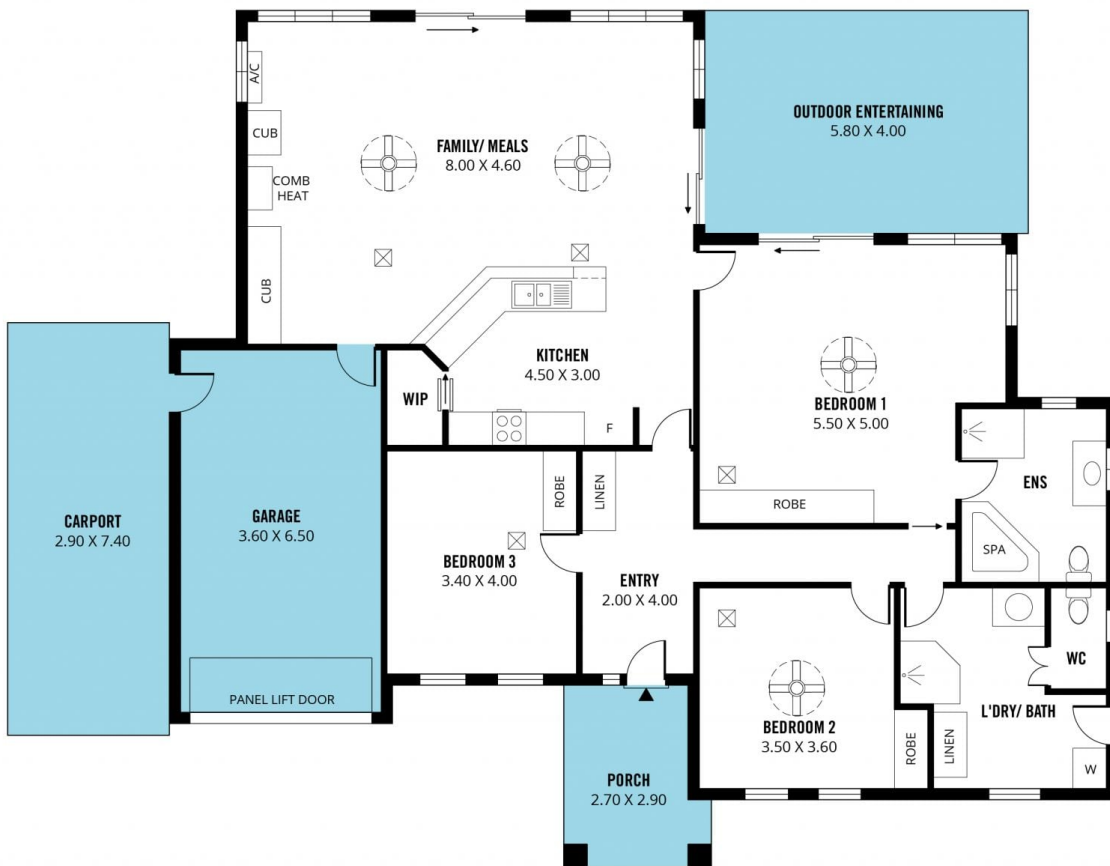

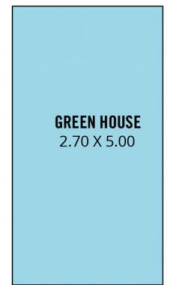

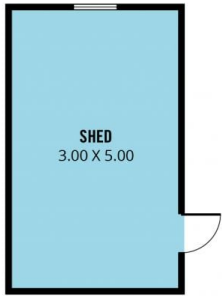

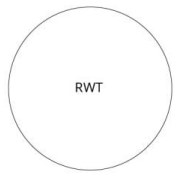

Set on a large and extremely well established 1,064m2 allotment that backs onto a natural creek setting that is both really impressive and super rare.
