4/492 Grange Road FULHAM GARDENS SA

2 1 3

This very well maintained and beautifully presented unit is nestled amongst other well maintained units in a small and private strata. The double brick construction adds to the overall appeal and an inspection is highly recommended.

This unit boasts two separate driveways, one leading to a single garage, the other to a carport located on the other side of the unit. Both are accessed via roller doors and are very secure. This is an extremely rare benefit that is not found often with units. Adding to the dual secure parking there is also an opportunity to park on the driveways and there is designated visitor or guest parking available also.

Inside you'll find a separate entrance that opens into the spacious lounge/living room that has a large bay window
