87 Main South Road MYPONGA SA

3  1  3 

This private oasis is located on the fringe of the Myponga township. It boasts over an acre of land that looks and feels like a beautiful nature reserve with an array of mature trees and established gardens, large lawn areas and with a large vacant parcel of land at the rear, and no neighbours on one side, it feels like a lot more space than 4,898m².

For years I have driven past this property and have never noticed it, as it is extremely private and secure nestled in behind the front gardens. Built and established in the late 80's and extremely well maintained and loved by the current and original owners, this property presents a very rare and unique opportunity to secure this impressive property that could be suited to a range of different buyers.
