5/73 Main Road MCLAREN VALE SA

3 2 2

Tucked away in an extremely private and secure location, but still with easy access to everything on offer in this highly sought after location including public transport, shops, cafes, restaurants, schools and of course some famous local wineries and cellar doors.

Built in 2012, this property offers an amazing lifestyle opportunity and could be suited to a wide range of buyers. Located down a long private driveway this property has lovely established gardens that have an easy care appeal. The front verandah overlooks the front garden and is a lovely place to either start the day with a morning coffee and listen to the birds, or perhaps a local wine at the end of the day.
