## 333 Salisbury Highway PARAFIELD GARDENS SA

3 1 2

Offered to market for the first time, by the original owner, you will surely feel right at home as soon as you enter through the electric doubles gates of 333 Salisbury Highway. Built in the early 80's, this three bedroom home offers good living and outside space, along with character and a feel you will be pleased to call home.

As soon as you enter through the gates, you'll instantly notice the well landscaped and meticulously maintained home and front yard. The front fence and double gates aid in peace and privacy, and you'll also love the large double carport, high enough for boats/caravans, with rear yard access through the double gates. Behind the gates, there is enough parking for at least four cars.
