3 2 2

Located amongst other quality homes in the 'Ocean View' Estate, this extremely well maintained and presented property could be suitable for a range of different buyers and should be seriously considered.

Built in 2009, this property is positioned overlooking an adjacent reserve and is only a 10 minute stroll away from the spectacular Sellicks Beach.

There is double driveway that leads into a double carport under the main roof that is accessed via dual automated panel lift doors. On the other side of the home there is plenty of room with double gate access ideal for boat or caravan storage.
