3 Garden Street Aldinga Beach SA

3 2 6

Built in 2008 by Fairmont Homes, this fabulous three bedroom family home sits on a generous allotment of approx. 1,000sqm. Positioned amongst other, stunning homes in one of the most highly sought after pockets in Aldinga Beach, this home truly is a rarity.

The tidy, front yard sets a great, initial feel for this home. While out the front, you'll instantly love the ample parking options including a double garage, double gate side access with drive through to the large 12.4m x 9.08m shed, loads of driveway parking and enough space to store caravans, boats, trailers etc. While great in size currently, the zoning (Home Industry) of this section of Aldinga Beach will also allow you to build either another, or larger shed, if desired (STCC).
