4 1 3

This stunning 1968 family home on approx. 1698sqm block is located in the beautiful Fleurieu Peninsula township of Strathalbyn. Approaching the property, you are presented with such a beautiful exterior with two gravelled driveways and easy to maintain gardens. Double gate access to the carport and garage allows ample amounts of off street parking or perfect if you have a boat, caravan etc.

The beautifully updated interior presents with 9ft ceilings, wooden flooring and fans throughout the home. On the right side is the spacious living area with a lovely combustion heater (only 12 months old) to keep you warm and cosy throughout the colder days. Leading into the open kitchen and dining area, the wood bench tops and electric stainless-steel stove really complete the look of the home.
