20 Waverley Drive Willunga SA

4 2 2

This extremely well maintained and much loved home is nestled amongst other quality homes in the exclusive and tightly held Willunga Golf Course Estate. The Bluestone façade and bull nose verandah add to the impressive street appeal and the layout of the home could be suitable for a range of buyers.

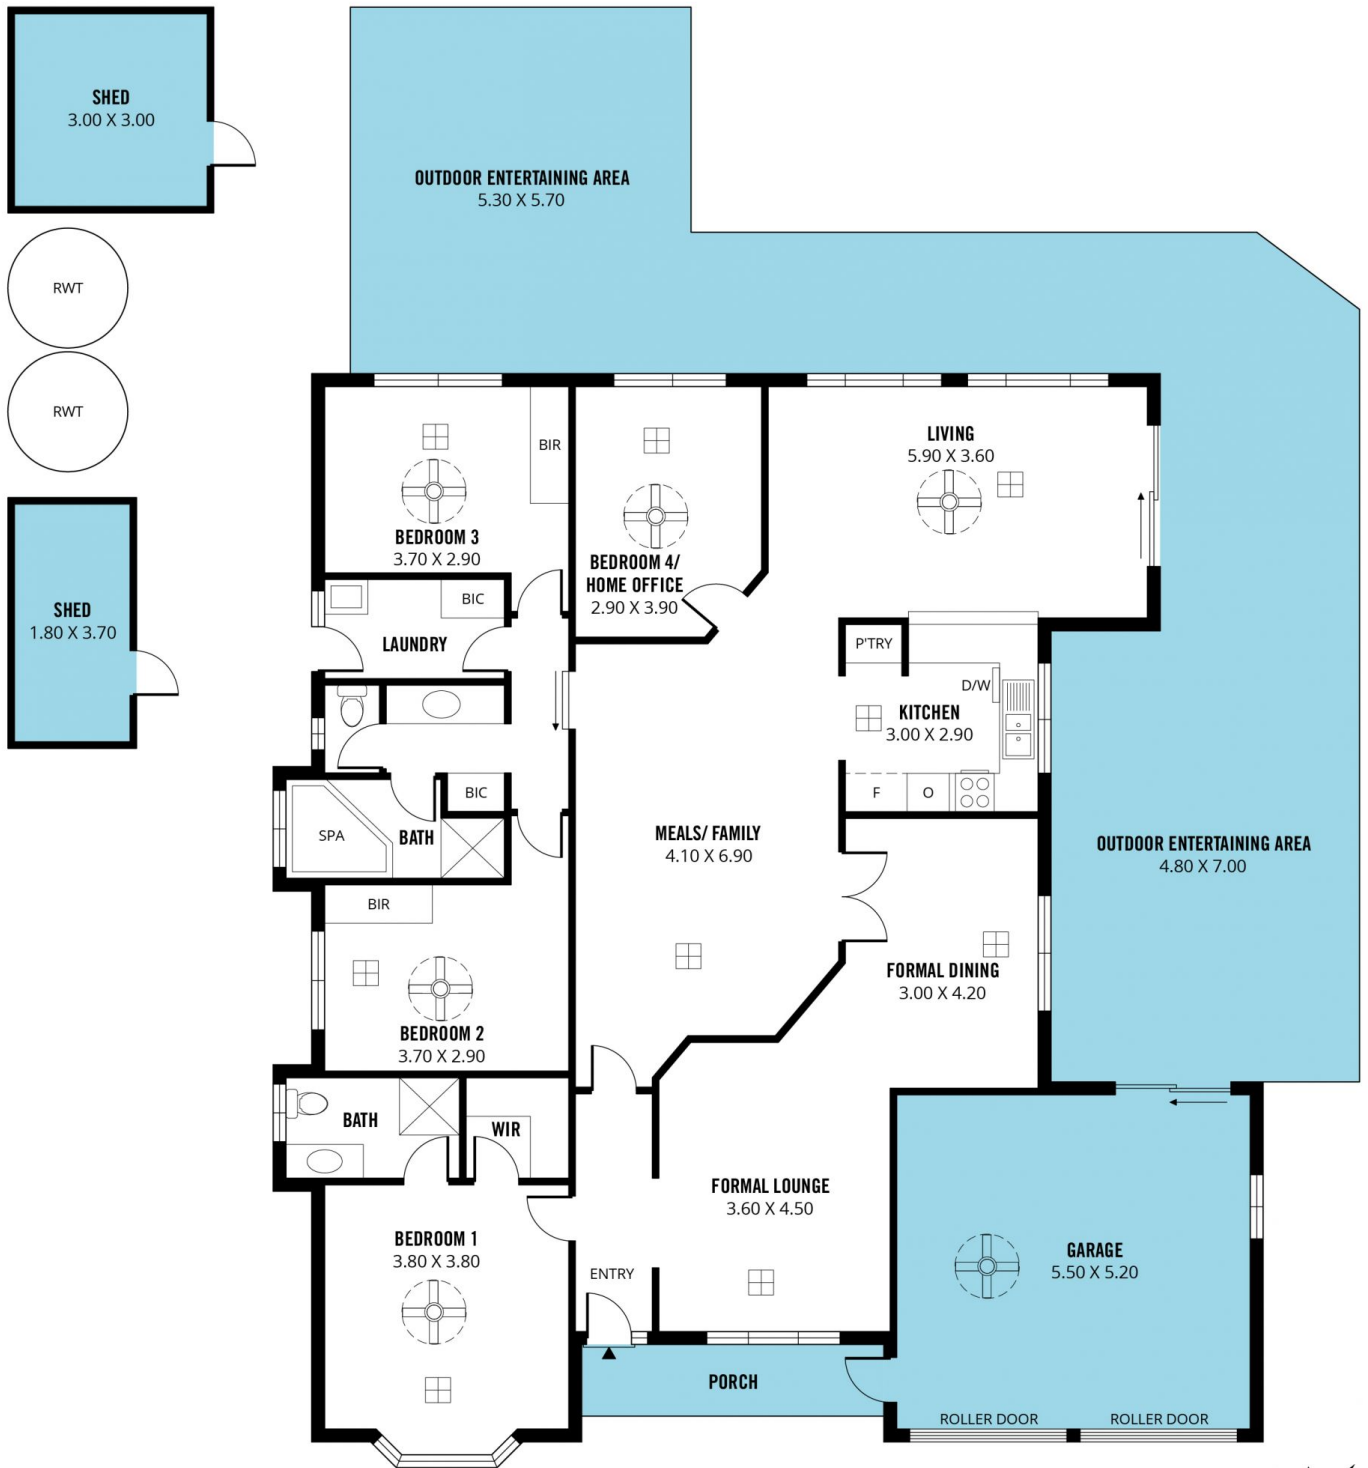

The separate tiled entry opens into the formal lounge that flows through to the formal dining room that can be completely closed off from the central living area if or when required. The main bedroom is also located at the front of the home and is a good size. It comes with a walk-in robe, a private ensuite bathroom and a large bay window that allows for a nice outlook over the front garden.
