16 Hewitt Drive McLaren Vale SA

4 2 2

This impressive property presents an extremely rare opportunity to secure approximately half an acre of land with a spacious and versatile home located in the heart of this highly sought after suburb. Opportunities and properties like this are very hard to find and hardly ever hit the market, so this one should be seriously considered...

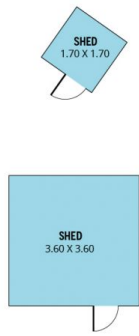

The home was built in 1983 and has benefitted from some tasteful renovations and has obviously been well maintained and cared for. The large separate entrance gives access to the L-shaped formal lounge and dining that can be completely closed off if required with sliding cavity doors and has a split system air conditioner and a gas heater.
