18B Boyle Street Oaklands Park SA

4 2 2

This impressive and spacious home is located in an ideal position with easy access to a number of schools, public transport, close to Westfield Marion shopping complex and a short commute to Flinders University and Medical Centre.

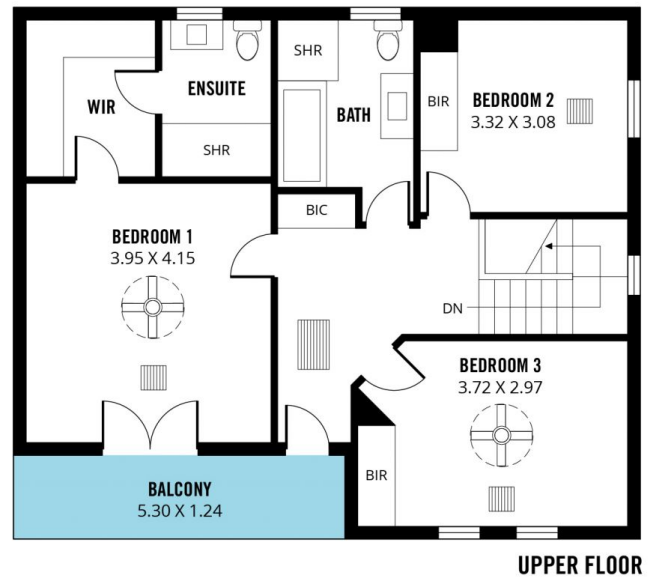

The rendered façade gives this double story a classy street appeal and the large double driveway leads into a very good sized garage that is accessed via an automated roller door and offers private and secure internal access into the home. The main entrance leads into an entrance hallway that gives access to an ideal home office located at the front of the home that has its own french door external access. This room has been and could be a 4th bedroom if needed, with the under stair storage area an ideal area for a walk-in robe.
