This home has been tastefully updated and very well maintained by the current owners. It's located with easy access to schools, shops and public transport making it suitable for a range of different buyers and an inspection is highly recommended.

There is a double driveway at the front of the property that leads to double gates for secure undercover parking in the high clearance carport area. There is direct drive through capability to a rear garage/workshop located in the rear yard if required and side access via another gate for more secure off street parking or storage.
