

MAGAIN

12 Lynington Street TUSMORE SA

3  1 

Tusmore is a tightly held suburb and opportunities to purchase here are rare. Today we offer you a property where all the preparation work has been done.

The existing sandstone fronted Californian Bungalow has been reduced to the main part of the house, ready for renovation.

The rear lean to section of the home has been removed and the site levelled ready for renovation to commence. All the planning work is complete and council approved plans with current development consent are available with purchase. However you may wish to add your personal touch to tailor the home to your liking. With the site offering approx. 853m² of levelled land there is plenty of scope to do your own thing.

Type : House
Land Size : 853 sqm
