

MAGAIN

14 Alton Avenue MAGILL SA

4 1 1

This is a wonderful opportunity to secure a block in a street undergoing rapid transformation in a very popular location. Situated on approximately 552 square metres this property currently features four bedrooms, one bathroom, separate lounge, and kitchen with gas cooking. There is a significant amount of work needed to bring this 1960's house up to scratch, but once done would look quite impressive.

The other option is to demolish and build you dream home on this very square piece of land in an area that close to large shopping centres, Rostrevor College, and other impressive schools, as well as being located close to a main bus route that gets you into the city within 20 minutes. What a perfect set up for the young family!
