

MAGAIN

32 Ashford Road KESWICK SA

Located just 3 kilometres from the CBD this original 2 to 3 bedroom home is situated on a good size allotment of approximately 697 square metres.

With plenty of potential the opportunity exists to renovate, redevelop or build your ideal inner city home subject to the necessary consents.

Offering excellent development potential the property has a 15.24 metre frontage and is zoned Medium Density Policy Area 18 in the City of West Torrens.

With outstanding facilities at your fingertips and the close proximity to the parklands and city this property offers great value in this up and coming suburb.
