25 Weemala Crescent ROSTREVOR SA

5 3 4

Offered for sale for the first time in over 30 years this much loved family home is everything you would expect of an original property in Rostrevor and so much more. Within a stones throw of the Morialta Conservation Park, its renowned walking trails and playgrounds it's an opportunity you simply can't miss.

Situated on a very generous 1,500sqm (approx.) allotment and split over multiple levels with dual street frontage this is a rare offering and one that will potentially see another family call it home for the next 30 years. Meticulously maintained and well thought out each level of this property offers you a different view point across the Adelaide skyline and beyond.

The home is set over three split levels and offers fantastic space for a growing family or a couple who love to entertain. The lower level has a large double car garage with automatic roller doors, a big office or rumpus room, a bedroom/storage area with a full bathroom, internal access to the rest of the home and a one of a kind cellar built into the hills face.

The main level of the home features grand living and dining spaces with multiple large windows overlooking Adelaide,
