

MAGAIN

58 Highfield Avenue ST GEORGES SA

Brilliantly positioned in an area that is in high demand, this generous size allotment provides an outstanding opportunity for a developer, or family looking to establish themselves in a beautiful part of Adelaide's east.

The two bedroom Freestone house gives you the ability to rent it out whilst deciding what, and how you would like to develop this sizeable bit of land. There is the ability to sub divide (STCC), or in some cases there may be those looking for an opportunity to build an impressive size home for themselves. Either way at this price, this opportunity is not to be missed.
