7 Acacia Court STONYFELL SA

Directly adjacent beautiful Michael Perry Botanic Reserve this is a rare opportunity to acquire an already vacant allotment of land in arguably one of the most desirable locations in the area. Providing a genuine hills feel less than 7 kms from the CBD and a short distance from sought after schools such as Burnside Primary and St Peters Girls.

Type : Land
Land Size : 858 sqm

Offering approximately 858 square metres with an excellent frontage of more than 24 metres. There is plenty of scope to design and create a very special home in a very special location subject of course to all the necessary consents. With an appealing elevated position looking over the reserve your dream home can be built to take full advantage of the view.
