Beautifully maintained and presented this spacious, easy living home is superbly located in a quiet rear position and just a short distance from both the city and the beach.

Downstairs you'll be impressed by the generous open plan living and dining with attractive floating floors, while the adjacent kitchen has been upgraded and offers a recently installed dishwasher and gas cooking. Upstairs there are two good size bedrooms (both with built-in robes) and the main bathroom also with some upgrades features a separate full bath. Other features include split system air-conditioning on both levels, a separate laundry and second toilet.
