## 10 Oceanview Road Christies Beach SA

3  1  6 

This stunning home has been so well maintained over the years. Immaculately presented it features 3 bedrooms, 2 bathrooms, 2 very big living areas and a massive outdoor entertaining area, complete with party lights, great for summer barbeques. Undercover parking is available for up to 6 cars, plus the driveway is lovely and wide. You can even drive through the rear patio area to wash your car on the back lawn! Enjoy tinkering around with cars or other projects in the 5.5m x 7.4m shed.

Simple yet manicured gardens complete the front and rear of this home beautifully.

Step inside a grand formal entry, where you will find a huge main bedroom off to your left, incorporating a walk-in-robe and beautifully updated ensuite. Downlights throughout the living areas create plenty of light, as does the skylight over the kitchen/rear living area. The kitchen is the heart of this home, with an expanse of benchtops and cupboards, along with a walk-in-pantry. There's a gas cooktop and wall oven so you'll never have to 'crouch down' to clean the oven ever again.

There's lots of storage throughout with floor to ceiling built in cabinetry in the meals area, and an enormous laundry.
